

## SEC. 3115. [20 U.S.C. 6825] SUBGRANTS TO ELIGIBLE ENTITIES.

(a) **PURPOSES OF SUBGRANTS.**—A State educational agency may make a subgrant to an eligible entity from funds received by the agency under this subpart only if the entity agrees to expend the funds to improve the education of English learners by assisting the children to learn English and meet the challenging State academic standards. In carrying out activities with such funds, the eligible entity shall use effective approaches and methodologies for teaching English learners and immigrant children and youth

(c) **REQUIRED SUBGRANTEE ACTIVITIES.** An eligible entity receiving funds under section 3114(a) shall use the funds—

| Federal Statute<br>Every Student Succeeds Act (ESSA) |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | What does that mean for LEAs?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | How can LEAs ensure they meet these requirements?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                       |  |                                  |  |                       |                       |                       |                       |                       |                       |                       |                       |                       |  |                       |  |
